About Shawn Ireland

Shawn Ireland's voice and face have been familiar to Central Ohioans for many years. In fact, Shawn has been heard on different Columbus area radio stations for 30 years! Aside from a 2 year stint on an all-female morning show in San Diego, most of her broadcast journey has been spent entertaining radio listeners and televisions viewers throughout Central Ohio.

When she is not entertaining and informing Good Day Columbus viewers, weekdays on Fox 28, she is pioneering her own syndicated radio and enterprise called "The Shawn and Kate Show". The show is a 2-hour weekend, plug and play radio program heard on many Ohio stations, with accompanying podcasts and video excerpts aired daily at shawnandkateshow.com. Shawn says "If you love to laugh, listen to great music and get unsolicited advice, then this is the show for you!" It's Fun-Real-Radio! Shawn is also very involved in charitable causes in Central Ohio, and is very proud of her program "Beauty's on the inside", a self-esteem program for young girls.

About Kate Burdett

Kate Burdett has been shooting her mouth off on the radio in Ohio since 1995. A native of western NY and a graduate of the University of Dayton, Kate's parents are just grateful that she's found a way to put her mouthiness to good use (though the jury is still out on that one). Kate resides in a happy home with Roommate Rob and her dog Parker who is smarter than most people you'll meet. The home is happiest when Kate has a glass full of wine and a DVR full of reality TV to watch.

About The Reeb Avenue Center

The Reeb Avenue Center seeks to build self sufficiency through opportunities and transform lives through education, job training, and local job growth including entrepreneurship.
