Bluescreek Farm Meats and Market Now Accepting EBT

Plain City, OH- Bluescreek Farm Meats and Market, former tenants of the Historic North Market, are happy to announce that they are now accepting The Ohio Direction Card, commonly referred to as the EBT card at their Plain City location.

The card assists those with food insecurities to access quality meats, produce and baked goods from local grocers and markets. And the newest addition to the program is Bluescreek Farm Meats and Market.

According to Director of Marketing and Branding Jamie Smith Johnson, “The ability to accept EBT is very important to us. As a family-owned and operated business, we feel it is essential for everyone in the community to have access to fresh, local foods.”

The EBT program is part of the Ohio Food Assistance Program and is designed to raise nutritional levels, to expand buying power, and to safeguard the health and well being of individuals in low-income households in Ohio. A household may consist of an individual or a group of individuals who live together and usually purchase, prepare, and eat their food together.

Bluescreek Farm Meats and Market is located in Plain City at 8120 US 42 (at the corner of US 42 and OH 736) just 10 minutes from Dublin. The traditional butchery and market hours of operation are Tuesday-Friday 10am-7pm and Saturday 9am-6pm. They are closed Sunday and Monday. For more information, please visit BluescreekFarmMeats.com or call 614-504-6605.

About Bluescreek Farm Meats and Market

The inspiration behind Bluescreek Farm Meats is deeply rooted in doing things the old fashioned way. Breaking down whole animals and utilizing every piece possible. Having freshly made sausages, while excluding un-necessary additives. Bluescreek Farm Meats is a true farm to table family-owned business, operated by the husband and wife team, Cheryl and David Smith.

Since 1993, the Smith family has been raising hormone and antibiotic-free beef, pork, lamb, veal and goat on their Marysville family farm. The family had a stall in the Historic North Market until opening their own location in the Spring of 2016. Upon opening their location in Plain City, the family made a decision to also offer an authentic full market experience by featuring locally sourced items from local businesses such as Snowville Creamery, North Market Spices, CaJohn's Flavor and Fire, Miller-Troyer Deli Meats and Cheeses and much more. Bluescreek Farm Meats also supplies several restaurants and chefs with quality meats in the Columbus, Ohio area.

Their location offers easy access from the interstate, offers plenty of free parking and is ADA accessible.
