**Pam to start Rockin' and Poppin' in Gahanna  
Popular purveyor of popcorn to resume operations in May**

Columbus, OH—After a brief hiatus from rockin' and poppin', Pam Tylka, known to many as Popcorn Pam, is happy to announce the opening of Pam's Market Popcorn and Windy City Eats at the Rocky Pointe Plaza in Gahanna.

Upon opening, the location will feature all of Pam's popular popcorn creations. Later in the summer, plans are underway to expand the menu to offer lunch items. The menu will include some of Pam's favorite quick comfort foods for those on the "go" including Chicago-style all beef hot dogs, Italian sausage and sinfully good fried eats and sweets.

The opening comes after Pam's departure from the Historic North Market in the fall of 2016. The location, scheduled to open mid-May marks the first stand-alone location for the popular purveyor of popcorn. According to Owner Pam Tylka, "I have an incredible opportunity to operate my own brick and mortar location. This is a departure from the multi-merchant/collective atmosphere of my former location at North Market. It's scary, liberating and exciting all at the same time."

The collaborative spirit of the Market is following Pam with projects already underway with neighboring businesses including cross promotions and shared services with fellow small business owner and next door neighbor Sally Held of the Coffee Cat Corner. "It's important for not only the community to support local business but also small business owners to support one another. It makes a better environment and prosperous community for all of us," states Tylka.

The new shop is conveniently located at 955 East Johnstown Road in the Rocky Pointe Plaze Plaza, just around the corner from the Ohio State University Medical Center Carepoint at Gahanna.
